

## **Kracka's 7<sup>th</sup> Annual Shreveport Cruise**

***"B<sup>3</sup>: Bagels, BBQ, & Booze"***

***September 16-17, 2017***

**Chris Hughes: (214) 701-4164**

**Tom Baird: (972) 365-4000**

### **Guidelines:**

1. If you do not know where you are going, stay behind the leader when nearing a town or any other place where the route may take a turn.
2. When the car in front of you puts on a turn signal, do the same right away. We must signal early so the intent gets passed to the very back of the group before getting to the turn.
3. If you have car problems or for any reason need to pull off the road, flash your highbeams. Please continue relaying the message forward if you see flashing behind you until the leader acknowledges the issue.
4. Be on time at all meeting points, this is in order to prevent anyone from getting lost or left behind.
5. Drive safe. Be aware that we will be passing through small towns.
6. Feel free to "test and compare" when the road/traffic conditions allow it. Do not hold up or slow down other traffic in the process though.
7. If you're in the left lane do not hold up other traffic. Move to the right and let them pass. Courtesy to others will help prevent calls to the police and highway patrol.
8. Most importantly, we are here for one reason and that is to HAVE FUN!
